

TiForce New Product Release

Vespa GTS250ie/GTV250ie

TiForce is proud to be your supplier for high performance exhaust systems to fit your Vespa GTS250ie/GTV250ie. Since 1999, TiForce has been manufacturing high performance exhaust systems from monster “big bore” racing motorcycles to 50cc scooters. All of our exhausts are designed and developed on the dyno as well on the circuit in racing applications. TiForce’s worldwide racing experience and superior craftsmanship is evident in our newest Vespa pipe too - see images below. Please call TiForce Japan (tel+81-593701881) and TiForce USA (+1-205 583 3601) or email sales@tiforce.com / tech@tiforce.com to pre-order one these racing inspired exhausts for your Vespa.
